Opening choice in the 11-15 range:

With 11-13 balanced open your longer suit: with 4/4 the higher ranking but open 1♥ with 4=4 majors, and 1♦ with 4♣333. With a single-suiter open your longest suit, 6M4m is often treated as a single-suiter.

With a two-suiter w/o clubs open the shorter(lower ranking with 5/5) and rebid the longer.

With M+♣ open the major regardless of length. With both minors open the longer(1♦ with 5/5).

- 2N natural 2S bid
- 3C natural 2X+1 bid
- Other: natural canape/single suiter

Exception: 1S-2H now 2S is clubs, 2N is bal and 3C is 6+S

Over 2X+1 or 2S we can bid naturally or bid 2N to ask partner to show his shape.

Competitive bidding over after our 1M opening

After an overcall of our 1D/M opening: DBL from responder asks opener to show a canape if he has one.

After 1M-(2m)-X-(pass) or 1S-(2H)-X-(pass)

Opener bids 2M with balanced 11-13 4/5M, while 2NT by opener shows 5M-4C(3C would promise a canape) (R.G when 2NT isn't needed to show balanced hand it shows 5M 4+C). Therefore doubler should either have 3 card support and pass 2M, or a strong enough hand to bid over 2M.

Competition over 1♣

Over overcalls up to 2♥ that don't promise any known suits(e.g 2♦ or 2♥ multi, (psycho)suction...)

- pass: no better bid
- DBL: GF, usually not a 6+ suit
- non jump 1/2 level suit, natural 5-8
- 3x :: 6+x GF

Over any overcall that promise at least one known suit

- pass: weak (or trap pass if the overcall shows the bid suit)
- DBL: GF, usually TO, but could be penalty oriented if the suit shown is not the one bid
- new suit natural GF
- 2cue-bid(if available) GF stopper ask
- 3cue-bid: perfect TO 1444 or 0445

If they overcall directly at the 4+ level [1♣ - (4♣+)] pass is forcing
